

2021 ANNUAL REPORT

MESSAGE FROM PASTOR JJ

Journey Church,

This year God has shown up in ways that have challenged and changed our perspective on just what He can do. And what a blessing it has been! At the start of 2021, God gave us a word that it would be the year that we grew. We had no idea what that was going to look like, but you were open to see what God had for us. By intentionally walking into that season open handed and willing, we learned together that by trusting God with our finances, our family, and our time; He is faithful to respond! The impact you have made has enabled us to pour back into our community, plant churches, and create a crosswalk that furthered us in our mission of making Jesus accessible to anyone. We love you and we thank you Journey Church! We got here because of you!

Walking with you,

Pastor JJ & Liz Vasquez

GLORIA DIAZ

Admin Team

“There is so much I can say about how God has used Journey church to change and blessed my life! I came to Journey Church knowing it was going to be a different experience, but I didn’t know God was going to change me from the inside out, I love Jesus in such a unique and special way now, my relationship with Him is more intentional and important today than in the past. I also found my purpose by serving others. I am a director of the admin team and together with my husband, we are leading a marriage small group. As a mom, one of the most important things is that I get to worship with my family, our adult kids come to Journey Church and they love it just so much.”

“Journey’s dedication to the Central Florida community (and beyond) is like no other church I’ve been a member of. Pastor JJ’s sermons are consistently on point! Their Freedom small groups and conference were life-changing for me. I’m sometimes in awe of what God is doing through Journey Church.”

STEVEN HARRIS

“I started coming to Journey Church 4 years ago, I went from being spiritually homeless to finding my spiritual home. Journey has given me a greater view of God that has transformed my life and worldview. Through every step I’ve taken with Journey, they have been an encouraging and loving place that has given me a greater purpose in life. It’s led me to want to live a life of excellence that points others to Jesus!”

“Before I got to Journey I found myself in a very burnt out season of life. I never stopped loving God but I lost all hunger and zeal for him. I didn’t want to go to church at all and found myself just miserable. I was dealing with a lot of brokenness and hurt that I was refusing to deal with or address because I felt like I had to have everything together and live up to everyone’s expectations of me. When Journey opened its doors for the first time during the pandemic I knew that I had to do everything in my power to make it to service, even if that meant going alone. Slowly but surely I fell back in love with God. At Journey he was able to remind me of his love and remind me of the call that he had placed in my life. I am so so so happy I get to call Journey home.”
